Dear Dr. Williams

I am pleased to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Utah's request to amend its Primary Care Network Demonstration Project (No. 11-W-00145/8) to reduce the annual enrollment fee from \$50 to \$25 for Demonstration Population I beneficiaries with incomes under 50 percent of the Federal poverty level.

No new demonstration authority is required to implement this amendment. All other waivers and STCs stipulated in our approval letter of May 30, 2003 remain in effect. The award is subject to our receiving your written acceptance of this award within 30 days of the date of this letter.

Congratulations on the approval of your amendment. Please contact either Jean Sheil, Director of the Families and Children Health Programs Group, at (410) 786-6547 or via email at [jsheil@cms.hhs.gov](mailto:jsheil@cms.hhs.gov), or your project officer, Sharon Donovan, at (410) 786-2561 or [sdonovan@cms.hhs.gov](mailto:sdonovan@cms.hhs.gov) with any questions you may have.
